By Appointment.

Sandringham House from the Lake. Sandringham House, erected in 1870, is a handsome and comfortable English mansion in the Elizabethan style, built of red brick with facings of Ketton stone Here our King and Queen, as Prince and Princess of Wales, have led the kindly and gracious lives of an ideal lord and lady of the manor. The grounds are beautiful if not very extensive, and contain a pretty lake and other pieces of water.
